The City of Staunton is proposing an amendment to the 2024-2028 Consolidated Plan and the FY 2024 Annual Action Plan to switch activities for Staunton-Augusta-Waynesboro Habitat for Humanity (SAW HFH) from infrastructure construction for the road that will be built as part of the A Street Project to instead using this funding to pay SAW HFH staff salaries to assist Renewing Homes of Greater Augusta with their home repair and accessibility installations that assist the elderly and persons with disabilities who have low-to-moderate incomes. This reallocation of \$60,000.00 will be for a new activity but will remain as funding for Staunton-Augusta-Waynesboro Habitat for Humanity. This new activity will meet the 2024-2028 Consolidated Plan goal of "Improving Access To And Quality Of Housing". The amendment will be presented to Staunton City Council for adoption through resolution at their meeting on July24, 2025.
