## EXISTING GROUP R-5 CHIMNEY AND VENT INSTALLER CERTIFICATION FORM

### 2021 VIRGINIA CONSTRUCTION CODE (VCC)

**113.3.1 Equipment changes.** Upon the replacement or new installation of any fuel-burning appliances or *equipment* in existing Group R-5 occupancies, an inspection or inspections shall be conducted to ensure that the connected vent or chimney systems comply with the following:

1. Vent or chimney systems are sized in accordance with the IRC.
2. Vent or chimney systems are clean, free of any obstruction or blockages, defects, or deterioration, and are in operable condition.

Where not inspected by the *local building department*, persons performing such changes or installations shall certify to the building official that the requirements of Items 1 and 2 are met.

### INSTALLER CERTIFICATION

I do hereby certify to the building official that the chimney or vent system connected to the replacement or newly installed fuel-burning appliance or equipment located at the following address in the City of Staunton complies with VCC Section 113.3.1.
